MISCELLANEOUS

Miscellaneous sucker rigid	16
Miscellaneous vent catheter with stylet	16
Miscellaneous coronary ostial perfusion cannula	16

AORTIC ROOT CANNULAS

Aortic root cannulas with vent line	17
Aortic root cannulas without vent line	17

CANNULAS OVERVIEW

Cannulas overview	18
-------------------	----

FEMORAL CANNULAS

FEMORAL ARTERIAL CANNULAS

Features

- 01 | Femoral arterial and venous cannulas
- 02 | Full cannula kits and single cannulas as well as insertion kits
- 03 | Cannulas made of high quality PUR for long-term use
- 04 | Wire reinforced
- 05 | With 3/8" connector and luer lock

Length [cm]	Size [Fr]	Xenios product code	Previous product code
38.3	16	35500028	MEFKA16L
	18	35500029	MEFKA18L
	20	35500030	MEFKA20L
	22	35500031	MEFKA22L
	24	35500044	MEFKA24L

packing unit 1 item

FEMORAL CANNULAS

FEMORAL ARTERIAL CANNULA KITS

Features

- 01 | Femoral arterial and venous cannulas
- 02 | Full cannula kits and single cannulas as well as insertion kits
- 03 | Cannulas made of high quality PUR for long-term use
- 04 | Wire reinforced
- 05 | With 3/8" connector and luer lock

Length [cm]	Size [Fr]	Dilator sizes [Fr]* 190 mm length	Xenios product code	Previous product code
38.3	16	8, 12, 14	35500000	MEFKKA16L
	18		35500001	MEFKKA18L
	20		35500033	MEFKKA20L
	22	12, 14, 18	35500034	MEFKKA22L
	24		35500048	MEFKKA24L

Dilator kits for femoral cannula	Dilator kits [Fr]* 190 mm length	Xenios product code	Previous product code
Arterial	8, 12, 14, 18	35570042	MEFKIKA

packing unit 1 item

* incl. guidewire 0.035" x 700 mm

FEMORAL CANNULAS

FEMORAL VENOUS CANNULAS

Features

- 01 | Femoral arterial and venous cannulas
- 02 | Full cannula kits and single cannulas as well as insertion kits
- 03 | Cannulas made of high quality PUR for long-term use
- 04 | Wire reinforced
- 05 | With 3/8" connector and luer lock

		24	35500131	MEA5802

packing unit 20 items

VENOUS CANNULAS

WITH STRAIGHT TIP

Features

- 01 | Improved tip design with new lighthouse tip
- 02 | Sizes from 20 to 36 Fr
- 03 | Wire reinforced
- 04 | DEHP free PVC

Connection	Length [cm]	Size [Fr]	Xenios product code (lighthouse tip)
			
3/8"	39	20	35510088
		22	35510089
		24	35510090
		26	35510091
		28	35510092
		30	35510093
		32	35510094
		34	35510095
1/2"	39	36	35510096

packing unit 20 items

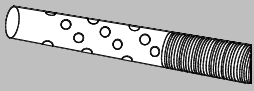

VENOUS CANNULAS

WITH 90° TIP

Features

- 01 | Improved tip design with new lighthouse tip
- 02 | Sizes from 20 to 36 Fr
- 03 | Wire reinforced
- 04 | DEHP free PVC

Connection	Length [cm]	Size [Fr]	Xenios product code (lighthouse tip)
			
3/8"	39	20	35510079
		22	35510080

		26	35510082
		28	35510083
		30	35510084
		32	35510085
		34	35510086
1/2"	39	36	35510087

packing unit 20 items

VENOUS CANNULAS

TWO STAGE VENOUS CANNULAS

Features

- 01 | Improved 2-stage design with lighthouse tip
- 02 | Proximal and distal reinforced cannula
- 03 | Wire reinforced
- 04 | DEHP free PVC
- 05 | With standard or flat body

Connector (1/2")	Length [cm]	Size [Fr]	Xenios product code (standard body)	Comparable to previous product code (standard body)	Xenios product code (flat body)
-	40	40/32	35510133	MEV1440	35510143
